A telephone conversation between two classmates, Sanjay and Pankaj, took place on a Thursday afternoon.

Sanjay: Hello Pankaj. How are you? You have been absent from school for the last 2 days.

Pankaj: Hi Sanjay! I had food poisoning. Anyway, I'm better now and will be going back to school tomorrow.

Sanjay: Did you eat something which was contaminated?

Pankaj: Well, I took fried oyster and some noodles at the food center on Tuesday night.

Most likely, it was the former. It could have been the chicken rice or fish balls I took at our school canteen during recess.

Sanjay: Oh, I see.

Pankaj: Can you please tell me if there's any homework to be done?

Sanjay: Yes, Mrs. Boon is going to conduct a Science test for our class tomorrow.

Pankaj: Thanks for letting me know. Did she say which chapters will be tested?

Sanjay: Yes, she did. The test is going to cover the chapters on "Magnets", "Classification of Materials" and "Life Cycles of Plants".

Pankaj: That's a relief. I am only unfamiliar with the chapter on "Magnets". A quick revision is all I'll need. Thanks and see you tomorrow.
