1. Read the passage carefully and answer the following questions -

There was once a school that had a big and beautiful garden. It was full of colourful flowers and animals also. Flowers like roses, lilies, daisies, and sunflowers. The students loved to play there during recess. The garden was also home to many butterflies, bees, and birds.

One day, as the students were playing, a little girl named Ria saw something shiny under a rose bush. She bent down and picked it up. It was a tiny golden key. Curious and excited, Ria looked around but found no lock to fit the key.

After school, Ria returned to the garden alone. She sat near the rose bush and waited. Suddenly, the bush moved, and a small door appeared at the bottom of the plant. Ria used the golden key, and the door opened with a soft click.

Inside was a small tunnel, glowing with light. Ria crawled through it and came into a magical land filled with talking animals, singing flowers, and dancing fairies. A fairy named Bella flew up to Ria and said, "Welcome to the Magic Garden! Only kind-hearted children can enter here."

Ria spent hours in the magical land. She rode on a butterfly, played hide and seek with rabbits, and listened to birds telling stories. The fairies gave her sweet fruit and sang lovely songs.

When it was time to go, Bella gave Ria a flower that never faded. "This flower will remind you to always be kind," she said. Ria crawled back through the tunnel, and the tiny door disappeared.

The next day, Ria told her friends about the Magic Garden, but no one believed her. She smiled and looked at the flower, which was still fresh and bright. Ria knew that the magic was real, and she promised to always be kind and helpful.

Once upon a time, in a small green forest, lived a little squirrel named Chikki. She had soft brown fur and a long bushy tail. Chikki loved to jump from tree to tree in search of tasty nuts. Every morning, she collected food and stored it in a hole inside an old oak tree. She was very careful and never forgot where she kept her nuts. Chikki had many friends — a blue bird, a slow tortoise, and a playful rabbit. They often played together near a sparkling stream. One sunny day, Chikki heard a loud cry. It was the blue bird, trapped in a hunter's net. The hunter was nearby, hiding behind a bush. Chikki knew she had to act quickly. She ran to the tortoise and told him about the danger.

The tortoise slowly walked to block the hunter's path. Meanwhile, the rabbit distracted the hunter by hopping in front of him. Chikki then bit the net with her sharp teeth. The blue bird flew out happily and thanked Chikki. The hunter tried to catch them, but they all ran away into the forest. That night, the friends celebrated under the moonlight. They sang songs and shared sweet berries. Chikki felt proud and happy. The blue bird promised to help her whenever she needed. The tortoise gifted her a shiny pebble as a token of friendship. The rabbit gave her some fresh carrots. Chikki placed the gifts safely inside her oak tree. She looked at the moon and smiled. Helping her friends made her heart feel warm. The forest was peaceful again. The friends went to sleep with happy dreams. From that day, they promised to protect each other, and life in the small green forest went on happily.
